Sgt. Tomek Tells of Battles to Beat Germans

Sgt. Charlie J. Tomek, home from the war in Europe, said the Germans were arrogant and never believed they would lose the war. "We had a great advantage. We knew who was going to win."

"We got into the toughest of the fighting that winter. After we left Paris to go to Belgium we got only a few days of rest. Patton's Third Army was making its frontal assault on Metz. It was the first time in history that Metz had been reduced by direct assault.

"I was in the thick of it when the break through came in December. Rundstedt launched his attack on a quiet sector of the First Army line but it was quiet only for a little while. Soon the whole front was flaming. The Germans threw in everything they had. As you have read it was the great gamble. Being on the ground and having a hand in the game, there were times when we were never sure we were playing it right but as it turned out, we did alright. It was cold, bitter cold, and snowing.

"We slept out in the snow in fox holes and fought back in what must have been the most unfavorable weather possible. Overhead the skies were dark and at best, gray, and our planes could not come in on the enemy.

"My division was the spearhead division. As I have already said, we had 320 days of actual combat with close contact with the enemy numbering 297 days. Of all units in combat in France since D Day, the 2nd Division has the greatest number of days in close contact with the enemy. The next closest unit was the 3rd with 197 days. Our division suffered 24,000 casualties with 1650 dead. Our losses as you can see, totaled almost two divisions of men.

NEW BACK REPORTING TO YOEMEN LINE UP

Paul Burke, 160-pound half back who was declared ineligible to play with Cameron at the beginning of the season, has now been declared eligible by the Interscholastic League, it was reported by Coach Leo Jackson, Wednseday.

Burke, son of Mr. and Mrs. Leonard Burke, is now living in Cameron. The family moved here several weeks ago. Paul will be eligible for the game with Hearne and also for the game with Belton and Rosebud. He is not only a good broken field runner but is a splendid punter. Coach Jackson feels his backfield has been greatly strengthened.

The Yoemen have taken on the hardest work of the year. Encouraging reports are that Jimmy O'Neill, center, will be ready to go against Hearne Friday night.

Wallis, guard, has a cut over one eye, but will be able to play. He has developed into one of the best linemen in years here.

Coach Jackson will send his B team against Bryan B team here Thursday night at 7:30.

SGT. HERBERT H. HAASE IS HOME FROM JAPAN

Sgt. Herbert H. Haase has arrived in Cameron from occupation duty in Japan.

Sgt. Haase, whose home is in West New York, New Jersey, entered the service in June 1941 from New Jersey. He obtained his basic training at Camp Wheeler, Macon, Georgia, and was transferred to Camp Hood in 1942 and was one among the first men to train at that camp which is the largest in the United States. He was with the 801st Tank Destroyer Battalion. He left Texas in October of 1944 for Fort Ord, California, and later was transferred to Fort Stone and from there went overseas.

When his battalion landed on Leyte in the Philippines he was transferred to the 148th Field Artillery of the 112th Regimental combat team. On January 22 they put into the Gulf of Lingayan and entered the fight on Luzon. His outfit fought down through Tarlac, Cabanatuan and Santa Maria to Muzon and from there they went to southern Luzon to hold an area around Antipola and went into training for the invasion of Japan.

When the peace was declared his transport was in Tokyo Bay when the Japs signed aboard the Missouri. They landed at Tatehame on September 4, 1945 and did patrol work while on occupation duty.

After his return he was sent to Fort Bliss where he was discharged. Sgt. Haase wears the Philippines ribbon with one battle star, the Asiatic-Pacific ribbon with two battle stars, the Good Conduct Medal and the American Defense Ribbon.

Sgt. Haase is the son of Henry Haase of West New York, New Jersey and the husband of the former Miss Mary Frances White of Cameron.

FORGER ESCAPES JAIL HERE FRIDAY NIGHT

Alton Davis, under a 10-year sentence for forgery here, escaped jail around 8 p.m. last Friday.

Davis escaped during the Taylor-Cameron football game by picking a lock in his cell door. He had been tried here last week and given a ten-year prison term for forgery.

After his escape Davis went to Houston, organized a gang of five men and participated in two armed robberies. Police officers engaged in a gun fight with the robbers and Davis was arrested.

Davis has a long criminal record. He was paroled by Governor Stevenson and worked in a ship yard. His wife was recently arrested here for displaying a pistol.

R. A. Hosch and son from Belton shopped in Cameron Wednesday.

Rotary Speaker

HAL A. McNUTT
Stillwater, Oklahoma

Hal A. McNutt of Stillwater, Oklahoma, will be in Cameron Wednesday, November 7 as guest speaker at Rotary.

Mr. McNutt comes to Cameron on the Rotary International Speaker Service. It was announced by J. M. Boehner, President of the local club that a special effort will be made to give Mr. McNutt an extended hearing.

This is the first program for the local club in which a representative of Rotary International has appeared as principal speaker.

Central Texas Poultry Show Is Postponed

The Agricultural Committee of the Chamber of Commerce regrets very much to announce that it has had to postpone indefinitely the planned Central Texas Poultry Show. This has to be done because they have been unable to secure any show coops.

This committee is now planning for this show in the future and it will be made an outstanding poultry show for the Central part of the state.

John B. Dodson, Jr., called his mother, Mrs. John B. Dodson, from Fairfield, California Monday. He said he would be in San Antonio October 30 for his discharge. He will join his wife, who is working in Austin, and come to Cameron Friday. Mr. Dodson served more than a year in Guam.

Lost In Action

SGT. GILBERT LEE HUGHES

SGT. GILBERT HUGHES IS KILLED IN ACTION

Sgt. Gilbert Lee Hughes, who was awarded the Silver Star for action in combat while serving with the 9th Infantry in Germany, and who was reported missing in action in October 1944, is now presumed to be dead, is was disclosed in a letter to his parents.

Major General Edward F. Witsell, Acting Adjutant General of the Army in a letter to Mr. and Mrs. William H. Hughes, of Cameron, said:

"Since your son, Sergeant Gilbert L. Hughes, Infantry, was reported missing in action 20 October 1944, the War Department has entertained the hope that he survived and that information would be revealed dispelling the uncertainty surrounding his absence. However, as in many cases, the conditions of warfare deny us of such information. The record concerning your son shows that he was attached to a platoon of his company which attacked strong ene-

MRS. W. N. JINKS DIED IN HOUSTON OCTOBER 25

Mrs. W. N. Jinks, a resident of Cameron for several years, died from a heart atack at her home in Houston Thursday, October 25, 1945.

Funeral services were to be held in Houston at 10 a.m. Saturday, October 27, 1945.

Surviving are her husband, W. N. Jinks and two children, Charles Jinks of Houston and Mrs. Jim Wiley of Austin.

Mrs. Wiley will be remembered here as the former Miss Emma Harper. Mr. Wiley is a widely-known Texas business man. Many friends here were sincerely grieved to learn of Mrs. Jink's death.

Illegal License Plates Being Used in Texas

Hundreds of Texas residents are operating their automobiles illegally with license plates secured in other states where plates may be obtained at a lower rate than in Texas.

Colonel Homer Garrison, Jr., Director of the Texas Department of Public Safety, has advised that there will start immediately an enforcement program to see that all persons who are residents of Texas properly register their automobiles. Thousands of dollars are going into the revenue of other state treasuries when it should be going into the Texas treasury for the maintenance of Texas highways.

Ration Points Come Tumbling Down; Shoes Free by November 1

Ration points came tumbling down Wednesday when OPA put into effect new releases on civilian goods.

It was said that shoe rationing would end November 1st or perhaps end in December with points re-earlier and rationing of cars will quired on trucks ending earlier.

Points on butter have been reduced from 12 to 8.

Wesley Pratt Seaman 2c, visited his parents, Mr. and Mrs. Ernest Pratt, of Marlow, over the week-end.

Mrs. Nettie Storey, Worthy Matron of Cameron Chapter, returned from Grand Chapter Order of the Eastern Star, held at Amarillo Saturday, October 26.

Tom Holmes, Texas Newspaper Publisher Is Now With Herald

Tom Holmes, newspaper publisher and, until recently, editor and superintendent of The Mansfield News, has moved to Cameron and is now with The Herald.

Mrs. Holmes joined her husband here early this week. Both like Cameron and elected to move here to make their home after considering a number of cities where Mr. Holmes was offered attractive positions.

Mr. Holmes is a veteran of World War II. He became associated with the Mansfield News in January 1942, in charge of the mechanical depart- of his country a volunteer in August of that year. He served in the Medical Detachment of the Army Air Forces until August 1943 with the rank of Staff Sergeant. He applied for overseas duty but was not assigned to foreign duty. Upon his transfer to the enlisted reserve Mr. Holmes returned to his duties with The Mansfield News.

The Mansfield News is a 16-page tabloid size newspaper and was established 59 years ago.

Mr. Holmes has served with distinction in his profession and prior to becoming editor and superintendent of The Mansfield News he was superintendent of a printing plant in Fort Worth. Mr. Holmes is a columnist and at Mansfield his writings were widely read and appreciated.

With The Herald Mr. Holmes will have a number of duties, one of which is operator. He will also serve in an editorial capacity.

Mr. Holmes says Cameron is a splendid little city and welcomes the opportunity to become a citizen.

Pfc. Walter Anderle Awarded Bronze Star

Private First Class Walter F. Anderle of Cameron, was recently awarded the Bronze Star at Brooke Convalescent Hospital, Brooke Hospital Center, Fort Sam Houston, Texas, by Brig. Gen. Geo. C. Beach, Commanding General of Brooke Hospital Center.

While fighting on Leyte, in November, 1944 with Company "A", 34th Regiment, 23rd Division, Anderle's platoon was pinned down by enemy fire and needed reinforcements. The walkie-talkie being out of order, Anderle who was the runner, went back under heavy machinegun fire and seccessfully returned with reinforcements for his platoon.

Anderle who entered the service on September 25, 1942 and served overseas ten months also wears the Asiatic-Pacific Theatre of Operations ribbon, the Philippines Liberation ribbon with two battle stars, Combat Infantryman Badge, and the Good Conduct Medal. He is the son of Mr. and Mrs. Albert A. Anderle of Cameron, and is now assigned to the Medical Detachment of the Brooke Convalescent Hospital.

Posthumous Award Silver Star Is Made Sgt. Howard Isbell

CAMP SWIFT, Tex., (Spl.)—Mr. and Mrs. Clarence T. Isbell, Route 2, Thorndale, Saturday received the Silver Star awarded posthumously to their son, Sgt. Howard V. Isbell, for gallantry in action.

Sgt. Isbell, one of 12 men from the Thorndale area who died in the service, was a member of the 334th Infantry of the 84th Division. He had been in the army since 1937.

The ceremony was held at the American Legion hall at Thorndale. Capt. C. A. Johnson, representing Col. O. P. Houston, post commander, made the presentation and he read the citation for "gallantry in action against the enemy in Germany, 2'4 February, 1945."

"During an important river crossing operation by the division," the citation continued, "S-Sgt. Isbell courageously supervised the installation of vital communications across the stream under a constant barrage of enemy fire. While guiding a wire party to the river bank preparatory to crossing, S-Sgt. Isbell was killed by hostile fire. The disdain for danger, unswerving devotion to duty and aggressiveness displayed by S-Sgt. Isbell reflect high credit upon himself and are in accordance with the finest traditions of the military service."

J. M. Timmons of Gause transacted business in Cameron Tuesday.

HEARNE EAGLES HERE FOR FRIDAY GAME

The Yoemen will be host to the Hearne Eagles here on Friday night, November 2, for the last home game of the season.

The Yoemen were a bit gloomy Monday when they went back to work for the coming game with the Eagles, but were due to snap out of the doldroms by Tuesday and be in there fighting Friday night to get back some of the prestige they lost when Killeen's atomic Kangaroos beat them 38 to 0.

Friday night, November 9 the Yoemen will go to Belton. It will be another hard game, in fact the Yoemen may have to extend themselves to win. .

Hearne is as yet an unknown opponent. Judging from their game with Marlin, a 6 to 6 tie, the Eagles are a bit under average.

The Yoemen have dropped two games in a row. Coach Leo Jackson was taking things a bit serious this week. The Eagles always give Cameron a hard game and not infrequently have defeated the Yoemen in the past.

The Yoemen played a better game by far against Taylor than against Killeen.

Gas Company Presents Cookery Demonstration At Milam Theatre

Tips on the fine art of food preparation that had a let-down during the extreme food shortages will be given at a cookery demonstration in the Milam Theatre in Cameron November 5, 6, 7 and 8. The demonstration will be conducted by Mrs. Gussie Lee McCrary, home economist for Lone Star Gas Company, according to J. R. Bush, Cameron district manager. Classes will start at 2:30 p.m. each day and continue two hours. Advance registration should be made through the gas company office, 206 First Street, Mr. Bush said. The course is free to the public.

The demonstrations will be of interest to women who are cooking for the first time as well as experienced housewives who desire a refresher course in cooking. Those attending all four demonstrations will receive preparation of salads and salad dres- a certificate indicating they have completed a course in basic principles of cookery.

On the first day Mrs. McCrary will demonstrate cake, cookie and pastry making. Meat cookery will be featured on the second day; the third day breads, and the fourth lesson will take in vegetable cookery and sings. She will give suggestions on how to develop well balanced meals at minimum cost, and stress the importance of nutrition in meal planning. She will answer questions from the floor.

Mrs. McCrary, a native of Mount Pleasant ,is a graduate home economist. She taught home economics in the La Marque schools before joining Lone Star Gas Company.

Legionnaires to Attend Catholic Church Sunday

All Legionnaires and ex-service men will report to the U.S.O. at 9:45 o'clock Sunday morning, November 4th where they will go in a body to the Catholic Church.

This custom has been followed by the Legionnaires since the close of the first world war. They attend some church in Cameron on the Sunday prior to November 11th.

YOE HIGH SCHOOL HOMECOMING NOV. 2

This year the Seniors of "46" are sponsoring a homecoming for all the graduates of Cameron High School. This is the first gathering of this kind to be held in Cameron.

From the year 1892 to the present date there have been approximately 3,000 students who have graduated from Yoe High School. Each of these graduates is cordially invited to attend this homecoming.

Two representatives from each class have been appointed to notify each member of their class, and invite them to this gathering. If for some reason, someone was not notified, he or she is urged to come and meet with your friends and classmates.

At 4:30 a band concert will be held in the Yoe High Gymnasium. At 5:00 there will be an organization of the graduates. At 5:30, a reception will be held in the Home Economic Department. 7:45 recognition of the classes will be held at the football stadium, preceding the Cameron-Hearne football game, and at 10:00 there will be a dance and "get-together" held in the gymnasium. From 6:00 to 7:45, each class may furnish its own entertainment.

It is sincerely hoped that each graduate will co-operate in making this homecoming a complete success.

Boyce House, Noted Texas Author, to Speak At School Assembly

The man who probably has brought more sunshine into the lives of the people of Texas than any other living man will speak in the Yoe High School assembly program November 7 at 2:15. He is Boyce House of Fort Worth, author of "I Give You Texas" and other books which have set a record for books by a Texas author.

House averages 125 speeches a year, writes a 'column" for 200 weeklies and is heard over the radio each Sunday.

His father died when Boyce House was 12. After completing high school he entered newspaper work. On account of his health, he spent a winter in Southwest Texas and is was in a hotel lobby in Cotulla, that he began collecting Texas jokes. After nearly 25 years, he decided to write them down and was amazed to find that he knew hundreds. Four publishers in distant parts of the country rejected the manuscript but at last it found a publisher in Texas.

"I Give You Texas" went through edition after edition. Then he wrote "Tall Talk From Texas" and the two books have sold 170,000 copies, of which fully half have gone to Texans in the armed forces all over the world. His latest book, "Texas—Proud and Loud", sold almost 20,000 copies in its first five weeks. Critics declare that House has made "the most genuine contribution to American humor since Mark Twain."

As a newspaperman in the oil fields, House "covered" two of the most unusual events in Texas—Old Rip, the horned frog that was supposed to have spent 31 years in a courthouse cornerstone, and the Santa Claus bank robbery in Cisco. He spent several months in Hollywood, helping to write the big oil motion picture, "Boom Town" and has had articles in the Saturday Evening Post.

Annual Armistice Day Dinner at High School

The annual Armistice Day dinner will be held in the Yoe High School gymnasium Sunday, November 11th at 1:00 p.m.

This annual Armistice Day feed has been held each November 11th since the end of World War I and this will be the biggest dinner of them all. Hundreds of service men returning from service overseas will attend.

An entertaining program as well as lots of good information will be given to the many veterans in attendance.

Next week the papers will carry a full and detailed program of the Armistice Day celebration.

The number of tickets to this feed has been limited to 600, get your tickets early and assure your place.

Warrant Officer Luther Reichert and wife spent the week-end in the home of Rufus Reichert and family.

To the People of this Community

Thanksgiving is in the air. The spirit of the Good Provider hugs you warmly. What better time or reason to buy another extra Victory Bond, the good provider of the future? As you sit around the festive table this year, first year of world peace since 1939, remember the millions of men and women still in uniform in strange lands. In Germany about 2,500,000 Americans will be separated on this family holiday from fathers, mothers, brothers, sisters, wives, sweethearts and children. Every extra Victory Bond is a link between home and the Tokyo or Berlin patrol.

There's self-interest in your purchase of any extra bond today but there's service to your country too. You have most to gain by ownership of as many Victory Bonds as you can possibly buy. You guarantee yourself a better chance for personal peace and prosperity. You also help your government to pay the war costs and return home of men and women who will be badly missed Thanksgiving Day in your own home and your neighbor's home.

THE EDITOR

Henry- Stephen

Miss Louise Stephen, daughter of Mr. and Mrs. J. R. Stephen of Houston, and Tech Sergeant Jesse Arlan Henry, son of Mr. and Mrs. S. J. Henry of Marlow were united in marriage, at 7:30, Saturday, October 13, 1945 at the Baptist parsonage with the pastor, Rev. Paul Douglas, reading the ceremony.

The bride wore a rose pink moss crepe dress with black accessories, and the groom wore the dress uniform of the U. S. Marines. Witnesses at the ceremony were, Mrs. Florence Davis and A. M. Hillard.

The groom has been in the service for the past three years with the First Marine Air Wing as a Radio Technician. He served 25 months in Pacific Theatre of Operations. He is a graduate of Yoe High School of Cameron, finishing with the class of 1939.

After a short wedding trip to Fort Worth, and to Marlow to visit with his parents, the couple will return to Houston, where they will resume their work with the Southern Electrical Supply Company. Mr. Henry has received his discharge from military duty, and they will make their home at 419 Hoffman street.

Hallowe'en Party For Turner Children

Mrs. Clayton Turner of Columbus, Ohio was hostess for her children on October 24 with a Halloween party at their home.

Sixteen children of the Fair Avenue school were invited to enjoy a number of Hallowe'en games, after which they were served hot chocolate and cookies.

Mrs. Turner and children formerly lived at 303 East 13th Street in Cameron, while her husband, CPO Clayton Turner was stationed at Corpus Christi, Texas. He is now stationed at Port Columbus, Ohio.

L. E. Murray S 1c is in the Naval Hospital at San Bruno, California, it was reported in a letter to his mother, Mrs. J. M. Treadaway, last week. Friends will be glad to learn that Seaman Murray expects to receive his discharge from the Navy in about a month.

Miss Maxine James, who is employed at the Hawn Coffee Shop in Temple, spent the weekend with relatives.

How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1 Taken like a tonic, it should stimulate appetite, aid digestion,* thus help build resistance for the "time" to come.

2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.

PLANNING BOARD GETS RINGING INDORSEMENT

The report of the Cameron Planning Board was given two approvals here this week, one Tuesday night by the Chamber of Commerce and one Wednesday by the Cameron Rotary Club.

Both indorsements called for resolutions to be prepared by committees and presented to the City Council urging the government not only to call an immediate bond election but to put the entire Planning Board recommendations into effect.

J. M. Boehner, President of Rotary, arranged a program Wednesday when the Planning Board report was discussed. He named P. W. Davis and J. R. Hays to prepare a resolution of indorsement.

President A. W. McCullin of the Chamber of Commerce, named a committee of three, J. R. Hays, E. A. Perrin and L. Van Perkins to prepare the resoultion for the Chamber.

Urge Applicants File For Social Security; Some Losing Benefits

Despite repeated urgings through the newspapers of the twenty counties in the Austin Field Office Area, occasional applications for old-age and survivors insurance benefits provided by the Social Security Act are presented after one or more payments have been lost because of delay. This statement was released by David S. Pruitt, Manager of the Austin office of the Board.

The fact that these losses occur is indicative that there are still a number of people who are protected by the Social Security Act without being aware of it.

Applications from widows at age 65 and from young widows with children in their care, must be received by the Board before the end of the third month after the worker's death to obtain maximum benefit. Applications from wage earners should be filed as soon after age 65 as he or she stops working, or, if wages drop to less than average, claim should be filed to "freeze" the amount of the benefit. Benefits for the wage earner are not payable retroactive to date of filing. Applications for lump sum payments are barred by statute after the second anniversary of the wage earner's death.

Advice to cover all situations is, investigate without delay.

It costs nothing to obtain information. Contact the Social Security Board, 10' Brown Building, Austin, Texas.

Proper Method Of Pillow Washing Given

COLLEGE STATION, Oct. 23.—ynaMsaelfmiTa shrldu un un ununMany families are just getting over fall colds and flu that brings up the question of airing the beds and pillows. It will be good news to homekeepers to learn that feather pillows may be washed.

Feather pillows may be washed with feathers in them, according to Mrs. Bernice Claytor, specialist in home improvement of the Texas A. and M. College Extension Service. Or feathers may be removed from the ticking, put in a large muslin bag and washed separately.

Whether the feathers are washed in the ticking or in a muslin bag, the method is the same. Warm water with lots of suds is needed, and washing should be done with a weak washing soda solution. The pillows may need to go through another suds, and then through several lukewarm rinse waters. "When the washing job is done," says Mrs. Claytor, "squeeze the water out, and let the pillows dry in warm air and in sun, if possible. During the drying process, lightly beat the pillows two or three times so they will be fluffy."

If the feathers and ticking are washed separately, a good stiff starch can be applied to the inside of the ticking with a sponge or soft cloth. This starch will act as a coating so the feathers won't work thru, Mrs. Claytor says.

Mrs. Leo O'Neill has returned from Harlingen where she was visiting her daughter.

TEXAS CZECH CITIZENS OBSERVE INDEPENDENCE

Czechoslovakian Independence day, October 28, was to the 300,000 Czechs in Texas what July 4 is to native-born Americans, a Czech professor at the University of Texas declared.

Czech Day Sunday had a special meaning for Dr. Eduard Micek, professor of Slavonic languages at the University, because he and his brother and father fought for Czech independence in the revolution in 1918. Of the three, only one—the University professor—is still alive today.

'My father, brother and I took part in the Czech bloodless revolution in 1918. My father died five years later in March, 1945, my brother, a physician who had donated over $50,000 for our persecuted people and was active in the underground movements of World War I and II, was brutally murdered by Nazi Gestapo in Silesia, Czechoslovakia.

"My country today, after its second liberation from German enslavement, is in a bad condition, both economically and spiritually, after six years of German occupation," he said.

A Czech who has adopted Texas for his home state, Dr. Micek said that he and other Czech-Texans are faithful and loyal to the United States, but they have a love and respect for their home country which they like to see perpetuated through the study of the Czech language, literature and culture.

It was through the efforts of Dr. Micek, aided by other Czechs, that a department of Slavonic languages was established at the University of Texas. Assisting Dr. Micek in the teaching of Czech language is Instructor John Mr. Skrivanek.

"In 1939, when the University of Prague was closed, the only university in the world offering regular courses in the Czech language and literature was the University of Texas," the professor proudly stated. "A fact which will go down in the histories of both countries."

"My nephew, now attending the reopened Prague University, writes me that there is not enough food for the students, nor enough textbooks for all wanting to take courses,' he said.

Mr. and Mrs. Earl Angell, Billie Wayne, and Earline were Sunday visitors of Mr. and Mrs. Walter Powell of Ad Hall.

Greer Condray has received his discharge from the Army and will return to his home Saturday morning.

From where I sit ... by Joe Marsh

Keeping 'em Down on the farm

Rode out to the Jenkins farm the other day—and there was young Charlie Jenkins—two months out of uniform—driving a tractor as pretty as could be with his one good arm.

"I expect you find that pretty dull after piloting a bomber," I suggested.

Charlie gives me a wide, contented grin. "Dull?" he says. "All the time I was over Germany I dreamt of this—the smell of hay, and the hot sun on my back . . . and comin' home to women's voices in the farmhouse, and home cookin', and a friendly glass of beer. No," he says dreamily, "not dull!"

From where I sit, that's how lots of returning veterans must feel. Yearning for excitement? No, just mighty glad to be back with the old familiar things, the day's work, the rewards of home, companionship, and simple pleasures like a friendly glass of beer. No . . . not dull.

Joe Marsh

Our Pledge on Armistice Day

We, who faced the sacrifice and sufferings of war, now head into Peace with the same high courage. We have only to think of our martyred dead and their bereaved, we have only to be reminded of the single-hearted purpose for which these heroes bled. Victory has but deepened our responsibilities. Out of this memory of war's anguish and in a renewed declaration of our faith and pride in the World Peace for which all America fought, emerges our Pledge for this Armistice Day of 1945.

We pledge to Peace and to its principles, the same fervent devotion which fired our war aims.

We pledge continued dedication to our democracy and its preservation in Peace as in War . . . no matter how great the struggle.

We pledge an unwavering vigilance against any possible forces of aggression and oppression, both at home and abroad.

We pledge to Peace a fulfillment of the promises made in war . . . a safe, sound America where man can live in dignity . . . free from fear and want.

We pledge to work and build as we never worked and built before, that Civilization may rise to new heights of glory.

We pledge to invest in permanent World Peace by buying Victory Bonds . . . regularly, *gladly*.

MISS DOROTHY RUTH PERRY WEDS JOSEPH WILLIAM WHITE AT HOUSTON

Miss Dorothy Ruth Perry, daughter of Mr. and Mrs. Charles Cross Perry, of Houston, became the bride of Joseph William White, U. S. N. R., son of Mrs. Leona White and Jefferson B. White of Cameron, in an impressive ceremony performed at 5 p. m., Sunday at Bering Memorial Methodist Church in Houston. Rev. Charles F. Smith read the service.

The altar space was adorned with white chrysanthemums and asters, intermingled with greenery and softly lighted tapers burning in candelabra. Mrs. Irvin Swanson, organist, and Edward Gelus, violinist, rendered the nuptial music and the accompaniment for Miss Rose Ann Heck of Giddings when she sang "Ich Liebe Dich" and "Because."

Mr. Perry gave his daughter in marriage. She wore a gown of ice white satin, classic in design, styled with a heart-shaped neckline, long fitted sleeves and gathered skirt that rounded into a full court train. Her full length veil of imported illusion was held in place by a coronet of pleated satin and she wore a strand of pearls as her only ornament. The bride's bouquet was of white gardenias and stephanotis, caught with matching tulle and satin streamers and she carried a handmade lace handkerchief which belonged to her great-grandmother.

Maid of honor was Miss Mary Kay Wise of Corpus Christi and bridesmaids were Misses Boydene Roberts of San Antonio and Ann Sneed of Galena Park. They wore gowns identically in peach satin and tulle, fashioned with sweetheart necklines, fitted bodices, and bouffant skirts, caught with satin bows. Each wore long aqua gloves and a headdress of aqua net flowers and shoulder length veils. They carried arm bouquets of maroon chrysanthemums, tied with peach streamers.

Bob McLain, U. S. N. R., served the groom as best man and groomsmen were La Don Bogle of El Paso and Nicholas Salibo of Houston.

The brides' mother, Mrs. Perry, chose a gown of aqua with sequin trim, a pink feathered hat, and a corsage of pink carnations. The mother of the groom, Mrs. White, was attired in black, adorned with sequins, matching accessories and a corsage of white carnations.

Following the ceremony a reception was held at the home of the brides' parents. The bride's bouquet centered the illusion-draped table which held at one end a double-heart wedding cake and an antique cut-glass punch service at the other. Tall white tapers burning in crystal candelabra and arrangaments of white chrysanthemums and asters completed the decorations.

Assisting in the house party were Misses Elaine Sisson, Barbara Kuhlmann, Colleen Mitchell, Betty Jean Colliers, Camile Kay and Mrs. Kitty Statton.

The couple left for a brief wedding trip and will make their home in Houston. For travel the bride chose a suit of fireman's red with black accessories and a corsage of gardenias.

The bride was graduated from Southwestern university and is a member of Alpha Delta Pi and Alpha Chi sororities. The groom attended the University of Texas and Southwestern university and is a member of Kappa Alpha fraternity. He has served two years active duty in the Pacific theatre of war.

Among out-of-town guests were Miss Addie Perry of Brownwood, Mrs. Leona G. White, Mr. and Mrs. Herbert Haase, and Mr. and Mrs. J. B. White, all of Cameron.—Houston Post.

ELM RIDGE OVER TOP ON FIRST DAY OF VICTORY WAR LOAN WITH $2200

Elm Ridge with a quota of $1600, was over the top on the first day of the Victory War Loan, reporting $2200 on Tuesday.

Frank Tomek, Sr., chairman for Elm Ridge, reported to Dan Tyson, War Finance Chairman, shortly after noon Tuesday that Elm Ridge had not only completed its subscription on the first day but had exceeded its quota by $600.00.

To the People of this Community

Some day in the next few weeks a volunteer salesman will ask you to buy more bonds. You may be tempted to answer: "The war's over, haven't you heard? Would you care to give that reply to any one of the 300,000 young Americans now fighting for health in military hospitals from coast to coast? Would you care to walk a patrol in Tokyo or Berlin with a GI and tell him "the war's over?"

Of course, the bloody fighting is over. Your job in helping to clean up the money cost is the easiest patriotic chore any country ever asked of its citizens; loan of more dollars to be repaid at good interest in 10 years. Compare that job with the chore you have handed to your own son or neighbor's son to spend countless days in strange lands to nail down the victory.

Think you can afford to say no to the Victory Loan salesman? Have a talk with your conscience this very moment. Be ready for your Victory Loan salesman in spirit as well as in pocketbook.

Dinner Is Given For Cpl. Herbert Richter

A dinner was given in honor of the homecoming of Cpl. Herbert Richter and E. E. Hubbard GM 2c at the home of Mr. and Mrs. F. O. Richter of Buckholts. Cpl. Herbert Richter is the son of Mr. and Mrs. F. O. Richter, and E. E Hubbard GM 2c is their son-in-law.

Those present were the wife of Cpl. Richter, the former Miss Mildon Finney; the wife of E. E. Hubbard, the former Miss Ella Mae Richter, both of Waco; four sisters and two brothers of Cpl. Richter, Mr. and Mrs. Fred Richter of Houston, Mr. and Mrs. J. L. Zalesky and family of Buckholts, Mr. and Mrs. Frank Vybiral and family of Buckholts, Mr. and Mrs. Julius Tomacek and family of Buckholts, Mr. and Mrs. Wayman Richter and son of Cyclone, and Mr. and Mrs. Jack Barnes, who live at the home of Mr. and Mrs. F. O. Richter.

It was impossible for Cpl.. Richter's sister, Mrs. Tonie Luksa and family of Fort Worth to be here and also a brother of Fort Worth, Milton Richter and family.

Cpl. Richter entered the Army July 29, 1942 at Camp Wolters, Texas. He took his basic training in the Signal Corps at Camp Crowder, Missouri. He was transferred from there to Camp Pinedale, California and then to Orlando, Florida. From there he was shipped overseas on March 28, 1943, landing in England April 28, 1943. He was also in France, Belgium, Luxemburg, Holland and Germany. After serving thirty months overseas, he sailed for Hampton Roads, Virginia. He received an honorable discharge at Fort Sam Houston, San Antonio, October 19.

E. E. Hubbard GM 2c enlisted in the Navy November 20, 1942. He left the States in February 1943, serving thirty months overseas on Midway Island, Hawaii and in the Mariannas on the Tinian Island.

He received his honorable discharge at Camp Wallace, October 12, 1943. Hubbard is the son of Mrs. Minnie Hubbard of Garden City, Kansas. Present for a short visit were Mr. and Mrs. Herman Fuchs and family ,and Mr. and Mrs. John Jungmann, Jr., and family.

JOHN DAVIS' BIRTHDAY

John Davis, Teller in the Citizens National Bank, left for service October 19th, 1944, and assumed his duties in the bank October 19, 1945, one year on the dot.

After only the minimum of training at Camp Walters, Texas, he was sent as a replacement into the 77th Infantry, or Statute of Liberty Division, so called because its personnel originally consisted entirely of New Yorkers. This immediately put John into high stepping, fast moving military service, and he was almost immediately sent to the West Pacific for replacement on Okinawa. By reason of being a replacement of an old division, he saw continuous, active front line service. On May 15th, less than seven months from the date of his induction and after his division had made considerable advances, he was shot by a sniper overlooked and bi-passed.

Cameron is glad to have John back and his friends are busy saying hello to him at his old civilian post of duty.

District Conference Of Texas Presbytery Meets in Belton

Representatives from Presbyterian churches from Temple, Belton, Cameron, Maysfield and Lott attended the district conference of the woman's auxiliary of Central Texas Presbytery in Belton last Tuesday. Miss Susie Butts of Mayefield was chairman.

Main speakers were Dr. W. H. Hall of Marlin, director of home mission work in the Central Texas Presbytery, and Mrs. John A. Thompson of Taylor, Presbyterial president.

Theme of the meeting was "They went forth, the Lord walked with them."

A covered dish luncheon was served at noon.

Word has just been received from Jack Slaughter, in the Philippines, that he has been made Aviation Chief Machinist. He is one of the youngest Chiefs in the Navy, being 21 years of age, and will get a 60-day leave to the States, arriving in the States around December 1. He is the son of Mr. and Mrs. D. H. Slaughter.

Sealy Storey has re-enlisted in the Army. While he is waiting for assignment, his wife and twins of Shreveport, Louisiana are visiting relatives and friends in Cameron.

"Chilli" Manning spent two days in Dallas on business.

Negro Men and Women Will Hold Farm Exhibit

The second annual farm exhibit will be held October 26 and 27 in the Negro Extension office building on 8th Street. Prizes for the exhibitors have been provided by local business men cooperating through the Cameron Chamber of Commerce. The exhibit is under the auspices of the County Agricultural and Home Demonstration councils of the county.

Differing from the 1944 exhibit the show will not include hogs, educational booths or community booths. There will be 32 classes of exhibits all of which will be shown in the individual group. This is expected to make for keener competition. Of special interest will be exhibits in hybrid corn and girls 4-H poultry.

Judges for the exhibit will be W. B. Clark, Jr., Negro county agent of Falls county; J. R. Delly, Negro county agricultural agent of Robertson county, and Myrtle E. Garrett, Negro Home Demonstration agent of Falls county.

Mrs. Thalia Wray of Coleman visited Mrs. John Houston recently.

Mr. and Mrs. Ike West attended the Singing Convention in Hearne Sunday.

"In the bulge in Belgium we were pushed back seven miles. On either side of us were the 102nd and 99th Divisions. The great German attack has been referred to as the break through. So far as we were concerned it was just a bulge for they never broke through. I know every man felt that to hold was to win for had the Germans gotten through to the channel ports we would have lost everything. The fighting went on day and night. We could not get enough artillery ammunition. We caught the full force of the attack. We were 20 miles from Bastogne, where the 101st Airborne Division was surrounded. To our right came Patton's diversion attack into the German flank. They came through and relieved the 101st. We could hear the din of battle to our right as Patton's men came in.

"We remained in this critical battle position for 30 days. Artillery duels went on day and night. It seemed as if the sun would never shine, but it did. One day it was bright and clear. Our planes swarmed out. That fixed the Germans. It was a terrible slaughter. Our airmen caught the Germans in the open for they were on the offensive. Their trains were blown up, their artillery blasted and their men killed.

"When we were finally organized, we never stopped. We ended up at Pilsen in Czechoslovakia.

"I want our home people to know how joyful were the Czech people who had been under the German yoke. They baked us cakes, brought us flowers, polished our shoes, washed our clothes, and would charge us nothing. They gave us dances and made us welcome in every way. I could speak the Czech tongue so I was doing a lot of talking. They had had no sweets for seven years; many of their children having never tasted or seen candy. Well, you know the American GI, how liberal he is, so we just fed those children everything we could get.

"The German homes were filled with loot from other countries. They had food, clothing, jewelry and every luxury known. This will give you an idea of how they had robbed other people. The Americans took what they wanted and, of course the Germans didn't get much good out of the stuff they had accumulated from others.

"All the Germans were alike. They all said they were not Nazi. Of course they were. It was always somebody higher up who was responsible for the war and atrocities. The Americans were too soft. I saw the SS guardsmen runnng around town having a good time.

"I saw Nurnberg. It was totally wrecked. Many German towns and cities were obliterated. What the planes did not destroy, we knocked over with artillery. I was never wounded. Men were killed at my right and my left, but somehow I was miraculously spared."

Sgt. Tomek waited three months in Czechoslovakia to come home. They finally set out for the States, first going to Marsailles in France on the Medditeranean and from there sailed to Gibraltar and came home on the Christobal, a small luxury liner, in 11 days. There were 3400 men on the ship. They slept in shifts of 12 hours.

On his service ribbons are a number of battle stars. Sgt. Tomek comes home with as fine a record as any man in the army. He is especially proud of commendations received for the 38th Field Artillery which took part in almost a hundred operations. He is also proud, as he should be, of the detailed record sheet of the dates and battles in which he took part.

For the present Sgt. Tomek will spend some time on his father's farm at Elm Ridge.

my positions in the vicinity of Germeter, Germany, about twelve miles southeast of Aachen. Because of heavy losses his unit was forced to withdraw and became separated from the remainder company while heavy fighting continued. After a complete reorganization was effected, your son was discovered to be missing. A search was made, but he could not be found.

"Full consideration has recently been given to all available information bearing on the absence of your son, including all records, reports, and circumstances. These have been carefully reviewed and considered. In view of the fact that twelve months have now expired without the receipt of evidence to support a continued presumption of survival, the War Department must terminate such absence by a presumptive finding of death. Accordingly, an official finding of death has been recorded under the provisions of Public Law 490, 77th Congress, approved March 7, 1942, as amended.

"The finding does not establish an actual or provable date of death; however, as required by law ,it includes a presumptive date of death for the termination of pay and allowances, settlement of accounts and payment of death gratuities. In the case of your son this date has been set as 21 October 1945, the day following the expiration of twelve months' absence.

"I regret the necessity for this message but trust that the ending of a long period of uncertainty may give at least some small measure of consolation. I hope you may find sustaining comfort in the thought that the uncertainty with which war has surrounded the absence of your son has enhanced the honor of his service to his country and of his sacrifice."

Danger of Scarlet Fever is Outlined

Scarlet fever, now nearly three and one-half times higher than the seven-year median in Texas, is one of the most disabling and dangerous diseases usually associated with childhood, although actually it is confined to no age limit, according to Dr. Geo. W. Cox, State Health Officer. One hundred nineteen cases were reported in the state during the week ending October 20, bringing the year's total to 3,443.

The doctor described scarlet fever as an acute infectious disease, the onset if which is sudden. The first symptoms including sore throat, vomiting, fever, and headache, may appear in three to five days after exposure. These are followed by the distinctive red rash which gives this disease its name, Dr. Cox stated.

Complications may cause prolonged disability or death. Children suffering with scarlet fever may develop sinusitis and middle-ear infections which lead to mastoiditis. As the germs spread through the child's system, the joints, kidneys, and heart may become involved, causing lifelong invalidism or crippling.

"A child with any kind of a sore throat should be seen by the family physician promptly," Dr. Cox asserted. "If scarlet fever is present, the treatment recommended will do much to aleviate discomfort and reduce the possibility of serious complications."

Dr. Cox stated that children under ten years of age are most susceptible, and that those persons who fail to contact scarlet fever until grown stand an excellent chance of never having the disease.

FARM BRIEFS

Cattle producers should remember that ringworm of cattle, due to a fungus, can be spread to other cattle, and to human beings as well. Veterinary authorities point out that it also spreads to pigs causing hairless spots on the head and neck.

* * * *

If cattle chew bones, fence posts, mangers, or stanchions, it is a sign that their diet is deficient in phosphorus, feeding authorities point out. Farmers should be careful, however, to use a rock phosphate which does not contain deadly fluorine.

* * * *

Recent veterinary research shows that in many farming localities, 50 percent of adult poultry flocks are tuberculosis carriers. This is why it pays to dispose of over-age hens.

* * * *

Swine raisers often lose suckling pigs through failure to give the sows sufficient animal protein. Alfalfa is also important during the period before and after farrowing.

* * * *

Dairy farmers may be losing as much as $100,000,000 a year, due to the udder disease "Mastitis", says the American Veterinary Medical association. New control methods including milk tests and chemotherapy can save a majority of the cows affected by this disease, if symptoms are detected promptly, authorities say.

* * * *

In winter months, colts often suffer from rickets, because of deficiency of Vitamin D. Sun-cured alfalfa will help prevent this.

* * * *

Keep hog house floors free of dust and pulverized straw, and it will help prevent swine pneumonia, says a bulletin of the American Veterinary Medical association. Dust and straw particles irritate the pig's lungs and frequently bring on pneumonia.

* * * *

Horses should not be given heavy-fiber hay in winter. Veterinary authorities say such hay causes impactions. A handful of bean meal in grain rations is helpful in preventing impaction troubles.

* * * *

Army veterinarians have set up in Italy the same type of control program which has been so successful in combatting cattle brucellosis (Bang's disease) in this country. They are producing brucellosis vaccine there, from a special strain flown from this country.

* * * *

In treating livestock with penicillin, tests show that best results are obtained by giving it beneath the skin at frequent intervals, authorities report.

* * * *

When cows lick their sides, grind their teeth, or show weakness of hind quarters, it may be a sign of vitamin deficiency. Veterinarians now save most such cows from death by special vitamin injections.

Mr. and Mrs. Rufus Reichert have announced the arrival of a son, born at the Cameron Hospital at 3:30 a.m., October 30. He weighed seven and a half pounds and has been named Jimmy Rufus.

VICTORY WAR LOAN IS LAUNCHED IN MILAM

Milam county's Victory War Loan was launched Monday night with a banquet at the Yoe High School gymnasium with Dan Tyson, County War Finance Chairman, directing the program.

Several hundred war loan workers were there for the program and the banquet. The Cameron high school band gave the musical program.

Mr. Tyson in his address called for an all out effort in this last of the war loans that have placed this county in the nation's spotlight in the purchase of war bonds. "They have finished their job, let's finish ours," was the slogan by which Mr. Tyson inspired the workers and the committeemen to keep faith with those who sacrificed and paid the great price.

Oxsheer Smith, District Director for the Treasury Department, brought the main address from among those who will be active in the campaign.

E. A. Camp of Rockdale, and Clyde Franklin, postmaster at Rockdale, spoke briefly.

Bond buying was under way Tuesday. The county E Bond quota is only $210,000 while the over all quota is $985,000.

Mr. Tyson was expected to announce the precinct and city quotas within a few days.

Robert Zotz Honored With Birthday Party

On Monday night, October 29, Robert Zotz was honored with a surprise party on his fourteenth birthday. The following were guests: Rose Marie Johnson, Billy Fletcher, Frances Sebesta, Eugene Mitcham, Peter Kunz, Martha Nell Lewis, George Hollas, Phillip Ermis, Frank Heitman, Edward Horstmann, John David Matula, Louis Hollas, Grace Leonard, Grady Allen, Lawrence Michalka, Dallie Green, Geneva Wilson, and Monroe Marek.

After the many nice gifts were opened, the honoree and the guests enjoyed a weiner roast in the spacious yard under the pine trees. Cake, peach ice cream and punch were then served. There followed games in which all of the party had much fun. The yard was decorated in orange and black and the party was given in Hallowe'en style.

Ray Burke made a business trip to Dallas Monday.

Mr. and Mrs. Curtis Phipps returned home from Ventura, Calif. Mr. Phipps received his discharge from the U. S. Navy, where he had been serving for the past three years. Mrs. Phipps is the former Miss Leona Senkel.

Mrs. Curtis Hunt and son, Pat, of Waco are visiting her parents, Mr. and Mrs. Joe Tomasek.

Bradley Says Truman Approves 19 Hospitals At Cost of 25 Million

General Omar Bradley, Adminstrator of the Veteran's Bureau in Washington, said Thursday that President Truman has approved 25 million dallars for 19 hospitals in the United States.

This news comes in the wake of announcement that a number of hospitals have been abandoned or will be. A rumor here is that McCloskey in Temple will eventually be sold or abandoned by the government. Another report here is that Camp Hood is to be abandoned soon.

President Truman has asked the British to let 100 thousand Jews move into Palestine.

The Allied Criminal Court will begin trial of 24 high ranking Nazi next month.

Jaro Matula Home From Service

Jaro F. Matula has returned to his home in Cameron after three years of service in the Army. He has been stationed at Camp Stoneman, California, an embarkation center, where he received his discharge on September 31, 1945.

Matula is the son of Mr. and Mrs. Felix Matula of Cameron, who have two other sons who are still in the service. He has resumed his work at the Cameron Post Office, where he was employed at the time he entered the service.

Mr. and Mrs. Glen O. Lowe have arrived from Kansas City, Mo., where he has been in an aviation school, studying for T. W. A. Air employment as a pilot for transportation air plane work.

WAR CHEST DRIVE IS DEFINITELY LAGGING

Milam County War Chest Drive Chairman J. Albert Young, Jr., reports that the campaign at this stage is definitely lagging. Reports to date indicate that only 11% of the quota for this year has been obtained, while 63% had been collected at this same stage last year.

Albert Collins, City Chairman for the drive, urges everyone to give the same this year as they did last. The need for your aid in sending clothing and medical supplies to our courageous allies is indeed great at this time. We certainly can't let Milam county fall short of its quota in this important campaign.

The War Chest Fund Drive, which is a temporary organization founded to expedite the raising of funds for war-related agencies, is in its last week. Everyone is urged to give generously in order to put Milam county over the top.

Pfc. Frank Horelica Receives Discharge

Pfc. Frank Horelica of Cameron has been honorably discharged from the Fort Sill Separation point in Oklahoma. He received his training at Fort Sill, Okla., and Camp Hood.

Pfc. Horelica spent 30 months in the South Pacific theatre of operation. He wears the New Guinea and Asiatic Campaign bars, the bronze star, and the Good Conduct Medal. Before entering the service he was a horse breaker by trade.

Mr. Farmer of Rogers shopped in Cameron Thursday.

JAPS ORDERED OUT OF ALL COUNTRIES

In the most drastic regulation yet imposed upon Japan, General Douglas MacArthur ordered the government to sever relations with all countries and to recall all their diplomatic representatives.

There was no explanation given for the action. Prior to the beginning of hostilities in December 1941, Japanese Diplomats were constituting themselves spies and were in no case normal representatives.

Recently there have been hints that the Japs were beginning to build their system again because they had been permitted to retain their foreign relations .

The new stringent order requires the Japs to surrender all their foreign diplomatic files.

Change Announced in Price, Rationing Board

Effective Thursday, November 1, all applications for tires, shoes stamps, ration books and all business with the Milam county War Price & Ration Board should be taken up with F. L. Gregory, chief clerk, located at Cameron, or with the chairman, Sam Perry, located at Cameron.

The chairman or the chief clerk will be authorized to handle emergency applications, but all other applications must pass through their hands, be approved, and then sent to the Brazos County War Price & Ration Board, which will mail out tire certificates or whatever was called for in the approved application.

The Brazos county board, which will serve as a clearing house for Milam county, will receive no applications direct from any resident of Milam county. All applications by Milam county residents must be filed with the chairman or chief clerk.

This procedure is the result of discontinuing the War Price & Rationing Board in this county as an issuing office, but applications will be received and handled as before, except that they will be sent to the Brazos county office, except in case of real emergency, and certificates or what is called for in the applications will be mailed from that office.

Brenham Flier Tells Of Combat Experience In Yugoslav Army

Lt. Sam Rubenstein of Brenham, convalescing at McCloskey Hospital, was speaker Wednesday at Rotary.

Lt. Rubenstein, B-24 pilot with the 15th Air Force in Italy had a singular experience. He fought with the Americans in the air and later with the Chetnik air force in Yugoslavia.

Twice shot down, his last time over the rugged Yugoslav country, he remained in hiding for hours and was finally rescued by the Chetniks in German-held territory. He later flew with the Chetniks, receiving a flak wound which destroyed a nerve in his left arm.

His first disaster was a crash landing after enemy fire had knocked out two of his motors but they landed in Allied held territory in Italy.

Chas M. Hicks was chairman of the program committee.

Cub Scouts, Den 3 Meets on Tuesday

Cub Scouts of Den 3 met Tuesday afternoon for their weekly meeting at the City park. They were served sandwiches, cookies, and soda pop by Mrs. Clifton Jenness.

The boy's study theme for this month is Communications, and they have made many interesting, as well as educational visits to the printing shops, telephone company, and telegraph office. The boys enjoyed these visits and wish to thank the heads of the various companies for the interest shown them.

WEDDING ANNOUNCEMENT

Mr. and Mrs. John Tomasek of Cameron announce the engagement and approaching marriage of their daughter, Milady, to Joseph R. Summers, son of Mrs. Elva Ann Summers of Evansville, Indiana, at St. Benedict Church, at Evansville, Indiana, Monday, November 12, 1945.

KILLEEN IN 38 TO 0 WIN OVER YOEMEN

Killeens' atomic Kangaroos, sparked by Capt. Earl Baker and Wayne Arnold in the backfield, made the Cameron Yoemen look like an ordinary Class B team Friday night, and the score was 38 to 0, the worst defeat ever sufefred by the Cameron team since Taylor walloped them 46 to 0 in 1940.

The score, bad enough, does not indicate how badly the Yoemen were defeated. Watching the game one got the impression the Kangaroos eased off a bit in the last quarter. Killeen chalked up 359 yards running and 34 yards on three passes completed out of four thrown. Cameron completed three passes out of 14 attempted for 72 yards, one of them good for 5 when Gerick took a pass from Michalka and ran it to the Kangaroo 15-yard line. This was the only Camoren penetration of the night.

The Yoemen could get only 54 yards rushing in the entire game. Killeen racked up 125 yards from scrimmage in the third quarter alone.

The Kangaroos got three quick touchdowns on fumbles by Marek in the backfield. That is the way the game will be scored but in reality it would have made little difference. The Kangaroos scored at will.

The Kangaroos kicked off to the Yoemen. There was no run back and Marek fumbled on his 32 and Killeen recovered. It was easy for the Kangaroos. Within three minutes they were over with Arnold scoring from the one. On the next kickoff Marek again fumbled and the Kangaroos drove over for another score in a matter of seconds. Again there was no run back and Marek fumbled on the Cameron 15. Capt. Earl Baker, who was to lead the sensational scoring spree, drove over from the one. Killeen failed to convert and it was 12 to 0.

Killeen again kicked off to Cameron but it was no go and playing for the east goal, the Kangaroos scored again. This time it was Earl Baker again. He took the ball on his own 42 and raced through the entire Cameron team to score standing up, a beautiful 58-yard run. This time they kicked goal.

At the beginning of the half the Yoemen kicked off and Arnold took the ball, ran wide to skirt the Cameron left end and behind perfect blocking went over for the fourth touchdown. It was a 65-yard sprint. They failed to kick goal and it was 25 to 0.

To make matters worse for the Yoemen, the kickoff was fumbled again and Killeen got the ball. On the first play Baker went across and it was 31 to 0.

The Kangaroos had scored on ground plays five times. Now it was Baker again late in the fourth quarter. He threw a perfect pass to Arnold, who scampered 12 yards for the sixth and final touchdown.

In the fading moments of play the Yoemen on fourth down made their fourth first down of the game. Marek dropped back to punt but instead passed to T. J. O'Neill who ran it down to the Kangaroo 42. On the next play a double handoff sent Richard Burke around the Killeen right end for a gain of nine. That was the end. The difference was a fast Killeen line and an alert backfield, plus experience.

As usual Wallis stood out at guard and Gerrick was the best end for the night.

Next Friday the Yoemen take on Hearne here then on November 9 they go to Belton.

1st Lt. Clyde M. Foote asked for a release of his commission, and has received his discharge. He has since re-enlisted in the regular Army and has his former regular Army rank of Master Sergeant. He has been granted a 90-day leave, which he will spend with his wife and children in Cameron, who have maintained their home here since he has been away.

Mr. and Mrs. J. C. Cauthen shopped in Cameron Wednesday.

Taylor Hammers Rosebud Panthers By a 39 to 14 Count

TAYLOR—The Taylor High Ducks thumped the Rosebud Black Panthers handily in a district game here last night, but the Panthers had the consolation of scoring twice on the stout Duck defense. The final count was 39 to 13.

Phil Pierce drove over for the first Taylor score in the first quarter, and then Floyd Sanders hit Douglas Reeves with a scoring pass. In the second quarter, Sanders pranced 20 yards to score, and ran 45 for another in the third. Milton Jirasek threw two touchdown passes in the last quarter, one to Pierce and one to Clifford Ivicic.

The Panthers scored on passes in the second and fourth quarters with Braden doing the pitching on both counters.

Taylor rolled up 17 first downs and 10 penetrations, to three first downs and two penetrations for the Panthers.

Pfc. Carroll Green has returned from Oklahoma on a ten-days furlough. He was accompanied by his wife and children.

Leland Green Jr. is ill at his home with a fever, and is reported no better.

Pfc. Clifton W. Cryer is home a few days visiting his parents, Mr. and Mrs. J. A. Cryer.

Mr. and Mrs. Ladis Zavrel and daughter, Nancy Jane, visited in Temple Friday.

MORE PEOPLE ENJOY *This Blend* THAN ANY OTHER IN THE SOUTHWEST

Admiration is a coffee the whole family applauds. It is specially blended for Southwestern tastes. Probably that is why the Southwest long ago selected it as its favorite brand. Admiration's delicate, aromatic goodness pleases the most critical crank, delights the taste, and adds much to the enjoyment of every meal. Not too strong, not too mild, it has a luxurious flavor you could never forget. If you haven't already, try a pound today in comparison with any other blend. A comparison will convince you beyond all doubt.

New Frigidaire Now On Display In City; Can Now Be Sold

"Frigidaire, the world's largest manufacturers of refrigerators, now has an increasing number of refrigerators available to the public," said H. P. Culpepper, local Frigidaire dealer. "Construction on the first model began in July of this year and the finished products were temporarily frozen in a government stockpile; however, the restriction on the sale of refrigerators to the public has been lifted and Frigidaires are now available for civilian consumption."

Mr. Culpepper was discussing the features of the new Frigidaires, "They have all of the prewar features and quality developed by Frigidaire. The permanently-sealed-in-steel rotary Meter-Miser, Lifetime Porcelain Finish, The Quickube Ice Tray, and many other exclusive Frigidaire features are again present in these refrigerators," added Mr. Culpepper. "The five year protection plan on sealed-in mechanism is again proof that Frigidaire's workmanship and the quality of its products are amnog the best available."

"When Frigidaire's first war contract—construpction of .50 calibre machine guns expired in July of 1945, Frigidaire, with the authority of the War Production Board, began its first production of refrigerators since April 30, 1942. Folowing the cancellation of all war contracts at the Dayton, Ohio plants on VJ Day, the rapid conversion to civilian output in the other sections of the mammoth Ohio plants and the availability of the necessary materials has enabled Frigidaire to produce a much greater number of refrigerators than was at first inticipated," continued Mr. Culpepper.

"Though production on refrigerators is exceeding the most optimistic wartime predictions there are still not enough Frigidaires to meet the ever increasing demand, but officials at the Frigidaire's plants believe a daily production of several thousand refrigerators is possible in the near future," concluded Mr. Culpepper.

Jecmenek Funeral Conducted Friday At Cameron Home

Funeral services for Mrs. Agnes Jecmenek of Cameron, who died at her residence Oct. 25, were conducted at the family home here Friday. Burial was in the Ocker cemetery with Rev. R. E. Beseda of Caldwell officiating.

Pallbearers were: Joe Bartek, Frank Bartek, Joe Balusek, Ben Pocednik. Marek and Burns mortuary was in charge of burial.

Mrs. Jecmenek was a native of Bell county. She was born near Ocker on March 8, 1882. She married Edward Jecmenek on July 15, 1905. Her husband died on August 19, 1921.

Surviving Mrs. Jecmenek are two sons, Edward Jecmenek of Temple and Clarence Jecmenek of Cameron, four daughters, Mrs. J. M. Adams and Mrs. Herbert Luning of Temple, Mrs. Irwin Pagach of Grand Prairie, and Mrs. A. J. Lesikar of Seaton. She had seven grandchildren, three brothers, John and Ernest Bartek of Zabcikville and Charlie Bartek of Fort Worth, and two sisters, Mrs. J. H. Bartek of Double Header and Mrs. Frank Pocednik of Mt. Calm.

Mr. and Mrs. A. C. Odon of Jones Prairie were Cameron visitors Saturday.

DORNER-ANGELL

Miss Betty Lou Angell, daughter of Mr. and Mrs. J. H. Angell, and Melvin Dorner, son of Mr. and Mrs. Herman Dorner of Burlington, were united in marriage at 7 o'clock Saturday evening at the Vogelsang parsonage, with Rev. Robert Kalkbrenner reading the marriage vows.

The bride wore a dress of aqua wool styled with three-quarter length sleeves, and a gathered skirt. She wore a brown off-the-face hat with a veil, and a corsage of pink carnations.

Mrs. Herman Dorner, Jr., who attended the bride as matron of honor, was attired in a beige wool suit with brown accessories, and a corsage of red carnations. Herman Dorner, Jr., brother of the groom, served as best man.

The couple was honored with a dinner given in the home of the bride's parents, preceding the ceremony, for members of the families. Vases of queens wreath, and red candles were used in the dining room, with the wedding cake forming the central decoration on the buffet. A chicken dinner was served buffet style.

The bride was born and reared in Cameron and is a graduate of Yoe High school. For some time she has been employed with the American Optical Company in Austin, but returned to Cameron where she held a position with Duke & Ayres until her marriage.

The groom attended school in Burlington and Ben Arnold, and graduated with the 1943 class of Yoe high school.

The young couple plan to make their home on their farm at Burlington.

FREAK POTATOES

P. A. Tyler who each year produces a large quantity of sweet potatoes, has given The Herald a number of freak potatoes. They grew into many shapes and images. The potato crop this year is excellent.

Black Colt, 'Major' Ridden by Grabein, 2nd In Plantation Class

"Major," black colt two and a half years old, placed second in the Plantation Class in the Waco Longhorn Horse Show Sunday.

The black colt, owned and ridden by R. G. Grabein of Cameron, was judged strictly on performance and placed second in a class of high competitors, many of them experienced show horses.

Mr. Grabein recently sold "Poncho," big sorrel who had won many prizes in central Texas horse shows. "Major," being trained by his owner looks like a great performer and has gotten away to a good start despite his age and training time.

A WORD OF APPRECIATION

On October 28th, 1944, the partnership of Bredt and Haley Produce Company, was dissolved and the organization of the present concern was completed.

During the past year, with all manufacturing and wholesale facilities centered in Cameron, we have enjoyed the greatest co-operation of our many friends in the local trade territory and the surrounding communities.

We have endeavored to create a ready market for all feed commodities in any amount and your response has been even greater than our most optimistic expectations. Our aim is to provide further expansion of service to the farmers and feeders of this section together with increased facilities to care for all requirements made upon us.

On this, our first anniversary, we wish to thank you heartily for your many courtesies and co-operation.
